

To the membership of the Northwest Territory,

I hope this correspondence finds you well. As many have been wondering about the state of the upcoming season, the Board of Directors of the Northwest Territory have met and made the difficult decision to cancel the Laingsburg 2 skirmish scheduled for July 24-26. Based on the current restrictions, we do not see a way that we can hold the event. This decision has not been made lightly but with consideration of what is best for our membership and organization. We plan to work with the LMLGC to determine a new date later this season if possible. We will keep you posted when details become available.

Thank you for your patience and understanding as we navigate these uncharted waters.

Sincerely,

Hugh McLeod

Northwest Territory Regional Commander
